Policy and Procedure for the Awarding of the HEERF Emergency Financial Aid Grants to Students

On April 9, 2020, Education Secretary Betsy DeVos announced the U.S. Department of Education (“Department”) was making immediately available to all Title IV postsecondary institutions approximately \$6.2 billion for students impacted by the Coronavirus pandemic and authorized in Sec. 18804(a)(1) of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”). .

The use of the emergency financial aid grants under the HEERF is governed by Sec. 18004(c) of the CARES Act and mandates, in part, that: ***“Institutions of higher education shall use no less than 50 percent of such funds to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance, such as food, housing, course materials, technology, health care, and child care.”***

This first tranche of funding, which represents 50 percent of an institution’s total allocation under the HEERF, must be used **exclusively** for student emergency financial aid grants. Secretary DeVos makes clear in her April 9 letter to college and university leaders that, “We (the Department) are prioritizing this funding stream in order to get money in the hands of students in need as quickly as possible.”

Policy: Triangle Tech will apply for the HEERF Emergency Financial Aid Grants under the CARES Act and will use the 50% allocation to award emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus, including eligible expenses under a student’s cost of attendance, such as food, housing, course material, technology, health care, and child care. Triangle Tech will act quickly to deliver these funds to eligible students as expeditiously as possible to benefit students who are greatly in need of these funds due to the coronavirus pandemic. Triangle Tech will meet all reporting requirements required by the Secretary of Education.

Procedure:

1. Triangle Tech will apply for the HEERF Emergency Financial Aid Grants on Grants.gov and will notify via e-mail all students who were currently enrolled on 3/16/2020, of the availability of these funds. Note: The school temporarily closed from 3/17/2020 to 4/13/2020 due to the Coronavirus, and then resumed classes online on 4/13/2020 to deliver coursework via Distance Education.
2. The school will send enrolled students a CARES Act Emergency Grant request form via e-mail, which the student will complete to certify their need for an Emergency Financial Aid Grant. Outreach by the Financial Aid Advisors in regards to these forms will be performed via texts, phone calls, and additional e-mails to ensure that all students received the form and understand the requirements for eligibility.
3. Upon return of the request forms, the Financial Aid Advisors will track each enrolled student and their responses on a spreadsheet.
4. After receipt of these funds in G5, the Financial Aid Administrators and the Executive Director of Financial Aid will review the eligibility of students who remained enrolled and were Title IV eligible as of the date the Emergency Financial Aid Awards were made.

5. Students will be e-mailed a Student Acceptance of Emergency Financial Aid Grant Award letter and will again certify their need for the emergency grant, certify that they are TIV eligible, and that all of the information contained on the form is true and correct. Outreach by the Financial Aid Advisors will again be performed via texts, phone calls, and additional e-mails to ensure that all students received the Emergency Financial Aid Grant Acceptance and Award Letter and to answer any questions.
6. Financial Aid Administrators will use 2019-2020 processed ISIR lists to confirm the TIV eligibility of each student.
7. Upon receipt of the certified award acceptance and award letter, the tracking roster will again be updated by the Financial Aid Advisors, and awards will be made to all currently enrolled TIV eligible students who had qualifying need and accepted their award, based on their enrollment status.
ESTIMATED EXAMPLE: Eligible Full-Time students may receive an award of \$1600, Eligible Three-Quarter Time students may receive an award of \$1200, Eligible Half-Time Students may receive an award of \$800, and eligible Less-Than-Half Time Students may receive an award of \$400. **This is only an example.** Awards will be based on the total school award for the Triangle Tech main location and its associated additional location, the number of TIV eligible students accepting the award, and their enrollment status. If all funds are not expended at the time the first awards are made, the remaining funds will be allocated and awarded to expend all remaining funds in subsequent disbursements.
8. Awards will be batched in the student information system by the Financial Aid Administrators.
9. The Controller will post the awards to the student ledger.
10. The Business Office Staff will be notified by the Financial Aid Administrators of the awards, and the Controller will draw the funds.
11. The Financial Aid Administrators will request that the full amount of the Emergency Grants be disbursed via check to the students, without the award being encumbered by any outstanding balance on the student account.
12. The Staff Accountant will cut the Emergency Financial Aid Grant disbursement checks to the students and will mail them to the confirmed address of the awarded student.
13. The Executive Director of Financial Aid will be responsible for having the required information posted on Triangle Tech's website to meet the 30 day and subsequent 45 day thereafter reporting requirements, and also the reporting requirements of the Secretary of Education.
14. The Controller will monitor that all checks have been negotiated within 30 days of issuance.
